RE: Ohio Public Works
Round 33 Application Submittal

FROM: John M. Musteric, P.E., P.S.
Wood County Engineer

DATE: August 9, 2018

1. The District 5 Integrating Committee has set **Friday, September 7, 2018 – 4:30 p.m.** as the deadline for submitting Round 33 SCIP/LTIP applications to the Wood County Engineer's Office.
2. The sub-committee will consider whether or not to accept late applications.
3. Provide a phone number, the direct line for the organization's representative on the project, and their email address on the Page 1 of the application.
4. Submit a complete application including financial certifications, resolutions, all supporting documentation, and the Capital Improvement Projects Questionnaire. See Page 6 of the application for the complete checklist and the order in which documents should be submitted. The Capital Improvement Report (CIR) is no longer required to be submitted with your application.
5. It is the responsibility of the preparer to insure completeness of the application. Wood County is not responsible for errors or omissions.
6. The application and questionnaire shall be signed in blue ink.
7. If any signatures are needed from John Musteric - for the application you are preparing, it is imperative that you get those pages to the Engineer's Office – **before** September 7th and before the pages are duplicated.
8. Please do not submit Title sheets or Divider sheets with your application. Your application should begin with Page 1 of the six page application. Do not staple or bind the application. You may use paperclips or binder clips.
9. One (1) signed original application packet, three (3) copies of the original, and an electronic submittal is required. Submit applications in a **read-only pdf**. You may email the electronic copy of your application to Nancy at ndennis@co.wood.oh.us. If you are unable to send an email, a cd is sufficient; however, an email is preferred.
10. If you have a consultant preparing your application, please see that they get a copy of this notification.
11. An application and the questionnaire can be obtained from the Ohio Public Works website www.pwc.state.oh.us or the Wood County Engineer's website www.engineer.co.wood.oh.us.

If you have any questions, pertaining to this memo, please call Nancy at 419-354-9060 (press 0).
