JOHN M. MUSTERIC, P.E., P.S., WOOD COUNTY ENGINEER

THIS PERMIT IS ISSUED BY THE WOOD COUNTY ENGINEER UNDER THE AUTHORITY GRANTED BY THE BOARD OF WOOD COUNTY COMMISSIONERS.

c: Haul Permit File

## **ADDITIONAL PROVISIONS FOR OVER WIDTH CONSTRUCTION EQUIPMENT**

The original copy of the Special Hauling Permit shall be in the possession of the driver at all times during the progress of transportation and will be shown on demand to any police officer or Ohio State Highway Patrol Employee.

This specialized permit is used for the frequent movement of over width construction machinery to and from job sites; the permitted vehicle and load must not exceed twelve (12.0) feet in width and be otherwise legal in accordance with sections 5577.04 through 5577.05 of the Ohio Revised Code.

Loads may consist of such equipment as small dozers or backhoes transported on straight trucks, on equipment trailers pulled by trucks, or on semi-trailers hauled by commercial tractors. Field office trailers towed on their own undercarriages may also be included.

This permit and any attachments as issued must be carried in the cab of the permitted vehicle during movement.

The permit is good for an unlimited number of moves on the Wood County system and will be valid for a period of one year. Be alert for overhead obstructions and be aware that posted limits, including those on pavements and bridges, must be obeyed.

Once operating, the permit holder is entirely responsible to remain aware of the permit expiration date and assuring that a new permit is ordered in a timely manner. The permit holder is also responsible for ensuring that the permit accurately describes the vehicle and load; when it doesn't, the permit is null and void and either a revision or new permit must be ordered.

Warning flags shall be displayed on all over dimensional vehicles and loads. Warning flags shall be 18 inches square, red or orange in color, in good repair and free of printing or other markings and shall be securely fastened by at least one corner or securely mounted on a staff.

Over width vehicles and loads shall bear two flags at the widest extremities of the vehicle or load as well as one flag at each corner of the vehicle or load. Warning flags are not required to be displayed on the tractor.
